

## Become a Leader

### Description

The Los Angeles Education And Developmental Rights (LEADeR) volunteer program is a collaborative community effort led by the Juvenile Division of the Los Angeles Superior Court.

They are in need of volunteers to be court-appointed as education rights holders and/or developmental rights holders for children and youth that have open foster care and probation cases.

If you are interested or know anyone who may be interested please see the [flyer](#). For more information about the program or to RSVP, contact Patrick Hirsch of Children's Law Center of California at [hirschp@clcla.org](mailto:hirschp@clcla.org) or [\(323\) 318-1033](tel:(323)318-1033).
